HATHA FLOW YOGA - USING A CHAIR AS A PROP

Yoga postures are made available to everyone when using a chair as a prop. A prop is a tool used in the yoga to create optimal body alignment, and make specific actions or poses accessible to those who may not otherwise be able to perform the posture due to physical limitations or fatigue. This approach to the modern practice of yoga offers the student a full practice without the effort of getting up and down from the floor. We stand, sit, lie, move, bend and twist in these practices. Chairs are provided. Please bring: yoga mat, blanket, eye cover, strap and blocks. Walk in fee is available. Instructor: David Allen Arnette. Class held at Whaley Park.

cared for by a veterinarian at the Animal Shelter for a longer
period of time (up to 14 days rather than six days) prior to
being put up for adoption.

tion, call to register where your pet will be while you are on

Rancho Los Cerritos is a National, State, and Long Beach historic landmark.
